

## SOCIAL STUDIES 11 WEEK BY WEEK READING SCHEDULE 2017-2018

Welcome to Social Studies 11. We will do our best to maintain this schedule of topics as the term progresses. However, it is natural to have interruptions in the academic calendar that will either put us ahead or behind schedule. You are expected to keep up with your readings from **BOTH** textbooks regardless of absence or other interruptions (ie. missed blocked, field trips etc).

ALL READINGS contain quizzable & testable concepts. Therefore, it is strongly suggested that you make notes as you read, paying specific attention to bold-faced, italicized words, as well as significant people/events that come up. Proof of your reading will be demonstrated in the quality of your written assignments, contributions to class discussions, and performance on quizzes and tests. Please bring your e-textbooks (meaning, your laptop & charger) to every class.
